Thank You for Your Help

We couldn’t have done it without you!
Sponsors supported math and science education for over 5,000 students.

Thank you very much for your help in making Utah State University’s Physics Day at Lagoon, May 14, 2004, a success. Thanks to your generous donation of time, prizes, and financial contributions, we were able to help enhance the educational experience of the more than 5,000 students from the Intermountain Region (Idaho, Utah, Wyoming, Colorado). Your contributions also helped our students, their families, and the community to become more aware of your organization’s commitment to education.

In addition, congratulations to Highland High School for taking second place in the Physics Bowl!

We would like to thank the following sponsors:

Utah State University Physics Department
USU College of Science
USU Recruitment and Enrollment
Idaho National Engineering & Environmental Laboratory
Lagoon
Rocky Mountain NASA Space Grant Consortium
Idaho NASA Space Grant Consortium
Argonne National Laboratory - West
SAIC
Boeing
TRUTech
NitroCision
