

**2012 American Physical Society Department of Distinction
for Improving Undergraduate Physics Education**

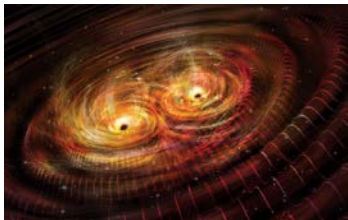

Ben Pound
Carbon Nanotubes
2014 NIST Research Fellow
2013 USU URCO Award
2011 USU Research Fellow

Katie Sweet
Biophysics & Complexity
2015 Goldwater Scholar
2013 USU Research Fellow
2013 Academic All-Conference

USU Physics Day
Intermountain West's Largest STEM Event
150,000 Student Participants

Get-Away Special Team
Microgravity Research
2016 Cubesat Mission
2010-11-12 Vomit Comet Flights
2008 Int. Space Station Experiment
13 Space Shuttle GAS Experiments

Kelby Peterson
UV Space Degradation
2014 SPS National Leadership Scholar
2011 Dean Scholar

Gravitation and Field Theory
Maria Rodriguez
Charles Torre
Oscar Varela
Jim Wheeler

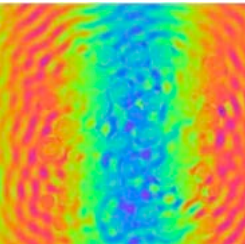

Myth Busters!
An Annual SPS Outreach Event

Fusion Plasma Physics
Boyd Edwards
Farrell Edwards
Eric Held

Atmospheric and Space Physics
