

SPACE SCIENCE SCHOLARSHIP

Join the GAS Team and “Do Space”

UTAH STATE UNIVERSITY announces the availability of several Space Science Scholarships awarded on a competitive basis. The award includes:

- In-state tuition waiver for four years
- Opportunity to fly your own experiment in space
- Help in material costs for your experiment
- Access to jobs in space-related research
- A chance to join the team that has flown more experiments in space than any other university *in the world*.

TO ENTER:

- Describe in 2-5 pages: (a) the experiment you want to do (experiment should be able to fly in a small student payload); or (b) your interest in space research.
- Send your high school transcript
- Provide 2 letters of recommendation

DEADLINE:

March 19, 2012

SEND APPLICATIONS TO:

Space Science Scholarship Committee
Jan Sojka, Chairman
Physics Department
Utah State University
Logan, UT 84322-4415
(435) 797-2979 or 2964
