

GOING TO NEW HEIGHTS

There are many more things we can measure and calculate with respect to this new ride, Cannibal. Using the things you learned and calculated on the previous pages, complete this worksheet to learn more about Cannibal.

Questions

1. Fill out the table using the same technique from page 6. This time, estimate d in order to find h . Then calculate the PE for each position as you did on page 7.

Location on Cannibal	d (m)	h (m)	PE (J)
A			
B			
C			
D			
E			
F
